

ZLATOUST RUSSIAN LANGUAGE SCHOOL

Zlatoust Russian Language School has been based on Zlatoust Publishing House (<https://zlat.spb.ru/>) and has provided Russian language courses since 1990. Nowadays, the school counts more than 30 years of successful teaching experience combined with high academic standards and effective methodological approach. With Zlatoust, you can learn Russian in Saint Petersburg or Moscow immersing yourself into the language environment; have an online virtual general or specialized course in a group or individually; train your conversational skills with Russian volunteers in our speaking club; get prepared for the TORFL (TRKI) test; take part in interactive WhatsApp/Telegram courses; participate in webinars on different topics; and learn Russian with our posts in social media. Our teachers are highly trained professionals with many years of experience in teaching Russian to

foreign students from around the world. Our mission at

Zlatoust School is helping students achieve their goals in the international community. Your journey with us will build your communication skills. Our Russian courses will help you get closer to better opportunities and life experiences.
